By signing above, the homeowner authorizes Northern Wireless to install cable and hardware for high speed internet, television and/or telephony service to the property being rented at the location above. Homeowner understands that the installation of such service(s) may require Northern Wireless to install fiber, copper, and/or other facilities and/or attach wiring and hardware to the property's exterior and/or interior. Homeowner acknowledges that Northern Wireless is not responsible for the removal of such hardware, nor is Northern Wireless responsible for restoring the property to its original condition upon termination of the account.
